

## DECEMBER 2020 NEWSLETTER

To our wonderful families,

On this newsletter you'll find some key dates for your diary as well as celebrations from events over the past month! It has been such a busy month at Essential Early Years! I hope you are as excited about the upcoming events as we are in nursery. Remember you can keep up to date with all the fun at nursery by liking our Facebook and Instagram pages.

This month we had Snowflake the Elf join us for a month of fun advent activities. Each day we have opened Snowflakes advent calendar and took part in an exciting activity!

Kind Regards

Lynnette & Team

Sharing stories and singing songs in our special Christmassy room.

## DECEMBER 2020 NEWSLETTER

### What have we been doing?

Snowflake the Elf! We have had so much fun with Snowflake; he has sent us lots of exciting activities but he has also got himself into some trouble over the past month!

Continuing to build friendships. We have been working together on lots of different activities such as putting the track together for the cars.

Imaginarium! Snowflake lost Santa and we had to find him!! We used the Santa heads to look around and find the correct texture for Santa's beard and his hat.
